Term 1, Week 10

Thursday, 30th March, 2023

## Principal's Report

Marathon Health are in school again this week working with students to develop speech and motor skills. They visit once a term to supplement at home programs and can support staff to better meet the needs of students.

SENTRAL Parent Portal information has gone home. This is a free app. Please register using the key that went home in the note and then link your students. This app has replaced Class Dojo and will be a key means of communicating with parents and carers. Please sign up and remember to link all of your students to the account.

Moorambilla Voices is here again on Friday. Over the COVID years this choir has not been performing, however it is a choir made up of students from around western NSW who come together to train for performances in Dubbo later in the year. All students in years 3-6 will have an opportunity to try out. Good luck!

Have a great weekend everyone.

## Special Ernie's Eyes Edition:

This fortnight, there is a special Ernie's Eyes which is going to be awarded to 4 students: Zach, Tahana, Mahleah and Georgia.

These students have not just dedicated themselves to being Responsible Respectful Learners in school, but they have also showed these characteristics in our community.

These students noticed another student (from another school) walking around lost and unable to get home after getting off at the wrong bus stop. These students comforted her, and assisted her in finding her way home. The parent of this girl was incredibly thankful and took to the Co-bar Notice Board to thank the mystery students.

We absolutely LOVE hearing these positive occurrences in our community. It is so special knowing that the students have kind hearts in our school, and in our community.

Thank you Zach, Tahana, Mahleah and Georgia!

Ernie thinks you are SUPERHEROS!!
