

Principal's Report

NAPLAN has finished for the majority of students, with a few who were absent to catch up. Thanks to staff for their organisation; it's no mean feat to organise and maintain computer access for a so many students at one time.

CENTRAL Parent Portal information went home Monday. This is a free app. Please register using the key that went home in the note and then link your students. At time of writing around 25% of the students have been linked.

Have a great weekend everyone.
