Principal's Report

As the weather cools off, a reminder that jackets and jumpers are to be in line with school uniform expectations. These items are available through the uniform shop.

The above advice re. uniform has run for a number of weeks now. Please contact the school if you require support to ensure your student is in full uniform, otherwise please ensure that your child(ren) are in full school uniform each day.

A quiet week this week. Students in some years undertook the *Tell Them from Me* survey, a twice a year data collection of how students feel about school life. This data is used in our school planning and reporting.

Year 1 & 2 classes went on an excursion to J&K Butchery on Thursday as part of their *Paddock to Plate* unit of work. Thanks to James for this great opportunity.

Unfortunately, due to potential rain, we have decided to postpone our Athletics Carnival. A new date will be announced once confirmed.

Have a great weekend everyone.

Voluntary School Contribution

The Voluntary School Contributions for 2022 have remained the same as last year.

\$25 for one student or \$40.00 for a family.

As in previous years, funds raised will be accumulated over the next twelve months. Cobar Public School P & C will then determine what major capital works project will be supported by these funds.

If electing to contribute, please complete the slip below and return with funds to the Admin. Office. Thank you to those parents and carers who have already elected to contribute for the benefit of our students. Your support is appreciated.

Who Got Spotted this week?

Sophia Cummins

Ernie was very pleased when he spotted Sophia following PBL expectations and displaying positive behaviours when walking safely around the school.
Well done Sophia!

Responsible

Cooper Turner

Ernie spotted Cooper doing as he was asked when others were running. Cooper also used the skipping ropes for the correct purpose and had a good go at skipping.
Great job Cooper!

Respectful

Hunter Hall

Ernie has been observing many students and was super pleased to see Hunter participating to the best of his ability in MiniLit.
Hunter listens to all instructions given and is progressing well.
Keep up the good work Hunter!!

Congratulations

Compulsory school attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my Legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight

= **4** weeks

= Over **1** year missed

1 day per week

= **8** weeks

= Over **2.5** years missed
