Term 3, Week 4

Wednesday 9th August, 2023

Principal's Report

This week, we had a very excited group of Zinc Team students depart for their excursion to Dubbo. During this trip they will be visiting the Wellington Caves, Old Dubbo Gaol, Taronga Zoo, going bowling and many more activities. Thank you to Miss Richardson, Mrs Deppeler and Miss Kerri for their organisation and for dedicating time away from their own families to give students this experience. It takes an enormous amount of time to manage every aspect of an excursion. Staff take large cohorts of students away for multiple nights, without any additional over time pay, and often having to arrange alternate care for their own families shows a significant dedication to the students, and we are so thankful.

This year, we will have a yearbook available to purchase. This is an exciting opportunity for the students to have a keepsake of their year, and will have room for students to write a message on their friend's books. The books take a significant amount of preparation and require the school photos to have been completed, so their availability will come in Term 4. Keep an eye out for more information so you can secure a copy for your child.

Last Friday, we had 100 Days Brighter to celebrate 100 days of school for 2023. Our school celebrated 100 days of knowledge, kindness and being part of our school community. Attendance is a crucial indicator of academic and social development, and frequent whole and partial day absences leave large gaps in a child's education. State expectations for attendance is 90% and attendance which falls below this is flagged for review within the school. You can view your child's percentage on the Sentral Parent Portal.

We have already begun our preparation for Smooth Start and planning for classes for 2024. Our Smooth Start program is a great transition to 'big school' and our data shows that it makes a positive impact on their knowledge of routines, as well as relationships with staff and peers. If you have a child that will be attending kindergarten in 2024 please complete the enrolment forms ASAP to ensure your place in the program is secured.

Have a great week and spread a little kindness

school photographs are coming up soon

Please note: Traditional or Composite group and the presentation format are chosen by your school. Sibling photos, if available, can also be ordered online and must be ordered prior to your photo day. A late fee will apply for photos purchased after ordering has closed.

how to order

order online

Online payment options include Visa, Mastercard and PayPal. Alternatively, you can choose to pay over 10 weeks using LatitudePay.

STEP 1

Go to www.advancedlife.com.au on your computer, phone or tablet.

STEP 2

Enter your school code:

DDK MCE 6EF

in the 'order and download' box. This will take you to your school's secure online ordering site.

STEP 3

Click on 'Order Photos' and complete your details and procedures. During this process you can place orders for additional children at your school and sibling photos, if available.

cash/envelope ordering

Your school prefers orders to be placed online. However, if you are unable to order online, please complete your order using the order envelope provided.

STEP 1

Complete a separate order envelope for each individual child's package/s ordered. If ordering for more than one child, payment should be enclosed in the envelope of the eldest child and this should be indicated on the envelope of the other child/children (the envelope that does not have cash enclosed).

STEP 2

Enclose exact cash payment in one envelope for the package/s you are ordering. Payment for more than one child should be in the eldest child's envelope and marked at the bottom of the envelope in the space provided.

STEP 3

Return your completed envelope/s, with correct cash payment, to our photographers on the day.

Please note: You must enclose exact correct payment, as change is not available. Credit card payments can only be made online and we no longer accept cheques. There is a separate envelope for sibling photo orders, should your school choose to offer sibling photos.

School photographs will be returned to your school 4-6 weeks after the day of photography

IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.
