We pay our respects to the Wangaaypuwan Ngiyampaa people on whose land we meet and learn.

Term 3, Week 5

Principal's Report

I'll start this week's blog with a couple of reminders:

- the canteen is closed all of week 6
- any student displaying flu like symptoms must not attend school and requires a negative COVID test result before returning.

Zinc team students travelled to Nullogoola Station on Wednesday as part of their studies with the Buckwaroon Landcare group. Students got to experience various aspects of farming life and see first-hand how farmers manage the land to reduce erosion and other negative impacts. This trip follows the workshops presented to students at school last week. Thanks to Dave and Rikki for hosting our students.

Have a great weekend everyone.

IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.
