Wednesday 22nd November 2023

Principal's Report

Year 6 continued their transition to high school activities this week with another visit to the high school. Students continue to engage with the staff and routines of the high school in preparation for 2024. Feedback from students is that they are really enjoying the opportunity to familiarise themselves with stuff that might otherwise cause them anxiety over the holidays.

We have a work experience student with us this week and next. Sosie Barton is working with our Kindergarten and Year 1 & 2 students. Sosie is a former student of Cobar Public School and is considering a career in teaching. We hope you enjoy your time with us Sosie!

Staff and students across the school are undertaking Wellbeing activities again this week. Organised by Ms Richardson, we are taking part in activities such as staff vs student bull-rush, chalk drawing and making gratitude cards. We look forward to seeing many of you on Friday afternoon at 1.20 for a quick recess picnic.

Year 5 & 6 took part in Landcare workshops this week, furthering their knowledge of the issues effecting agriculture and our natural environment.
