

Principal's Report

Another Smooth Start day this week with the majority of students settling in really well. The final day for this year is next week followed by their graduation ceremony.

The majority of Years 3 & 4 are at Lake Burrendong this week on their excursion. We wish them a fun filled time. There is a lot of water in the Lake this year so this will make it much nicer for everyone compared to the drought years when students were walking 600-800m through the mud to get to the water for canoeing.

Students not attending the excursion went on a town excursion to the Museum to learn more about the history of our town.

We are consulting our new draft Behaviour Support and Management Plan which comes into effect in 2025. There are no significant changes to our current plan, we have updated terminologies and included additional information on the updated behaviour code for student. Please contact the front office if you would like to work with a staff member to review the draft plan.

The NSW Department of Education has recently decided that there will be additional pupil free staff development days in 2025-2027. This decision affects every public school in the state, not just Cobar Public School. The following dates are the start dates for students for each term in 2025:

Term 1 – Thursday 13th February

Term 2 – Wednesday 30th April

Term 3 – Tuesday 22nd July

Term 4 – Tuesday 14th October
