

Principal's Report

The momentum continues to build as it always does at this time of year in the lead up to the end of year activities. Please read the What's Happening part of our newsletter so you don't miss any important dates of events.

This week Mr Harvey has been at a Principal's conference in Dubbo which is why I am writing this report. Teachers are well into report writing with an expected release date for these being 16th December. Our students are continuing with their learning programs. Kinder Smooth Start is now completed with the parent information meeting being well supported last week.

Year 6 students continue to access their Year 7 Transition program and our Year 2 students start their Year 3 Transition program this week.

There are always events on at school which make for a busy and vibrant environment in which to learn and work. Last week a few of my Year 2 students started a joke sharing/ swapping time in lines at home time so I shared some too. There were lots of laughs and excited children young and old.

Sooo here's my joke for all...
