Thursday, 18th November, 2021

Principal's Report

Another quiet week around the school. Classes are settled and there is a continued focus on teaching and learning.

Congratulations to Mrs. Lennon who was successful at merit selection for the position of Assistant Principal Curriculum and Instruction. Commencing in 2022, this is a new position within our executive team with a focus on supporting professional learning for staff and lifting literacy and numeracy levels for students. Mrs Lennon will also be relieving for me as I take leave over the next few weeks.

Students in Years 3 and 5 will be sitting the online School Readiness Test (SRT) this Friday. This is a practice for the NAPLAN test next year which will be fully online. The SRT is designed to familiarise students with the look of the online test as well as being an opportunity for staff to become familiar with the online format.

It was pleasing that our Year 6 students were able to resume their high school transition visits this week. There are normally numerous visits to orientate and familiarise students with high school however these have been limited due to COVID restrictions

Have a great weekend everyone.

Principal
