Term 4, Week 8

Thursday, 25th November, 2021

## Principal's Report

Week 8 is almost over and as the end of the year draws near, the days are getting busier! This week I had the pleasure of signing off on some projects that will enhance our beautiful school and upgrade some of our facilities. During the holidays and into 2022 the playground will see a bit of a makeover. These changes will allow students greater access to activities to develop motor skills, promote imagination and build social skills through play which is so important for child development. We look forward to showing these projects off in due time.

This week all staff have engaged with their Professional Development Plans which review the goals set at the start of the year. These reviews happen multiple times a year and staff will be looking at new personal and professional goals in 2022. Our staff are always open, and committed to, continually learning as educators.

A reminder that school photos are taking place Tuesday week 9 (30th Nov). Please ensure your child is in full school uniform, with appropriate socks, shoes and their best smiles. If you are yet to organise a package, please see the information on Class Dojo. Please note that photos are scheduled throughout the day, so any late arrival or early departures risks missing their scheduled photo time.

Luckily, you will get a few weeks of my jokes until the end of the year?

Why did the student bring a ladder to school?  
Because she wanted to go to HIGH SCHOOL
