

Principal's Report

Thank you to everyone who has returned notes for the dental checks next year. Unfortunately, the provider has made a mistake, and these forms are not valid for next year. A slightly different version will go out at the beginning of next year. Please do not return any more of the forms this year.

A reminder that if a student brings an electronic device, phone, tablet, Apple watch etc. to school, the device must be signed in at the front office. We are doing spot checks to ensure that students are complying with this Department of Education requirement.

The NSW Department of Education has recently decided that there will be additional pupil free staff development days in 2025-2027. This decision affects every public school in the state, not just Cobar Public School. The following dates are the start dates for students for each term in 2025:

Term 1 – Thursday 13th February
Term 2 – Wednesday 30th April
Term 3 – Tuesday 22nd July
Term 4 – Tuesday 14th October

This will be the final newsletter for this year. As such I'd like to thank our wonderful school community for your ongoing support of the school and our efforts to be the best education provider in Cobar. We have a wonderful team in our school, and I would like to thank them also for the enormous amount of work they put in. Not just in the classrooms, but all the extra time, their own time, they give to provide opportunities for our students. Farewell, again, to Mrs Fugar and thank you for your second stint at CPS.

Have a wonderful holidays, be safe and enjoy.

Australian Golf Foundation Junior Girls Scholarship program
Media Release

Cobar Bowling and Golf Club are offering junior girls' golf scholarships in 2025!

Cobar Bowling and Golf Club has obtained funding from The Australian Golf Foundation (AGF) to support 10 lucky girls to continue to develop their golfing skills.

Scholarships are open to girls aged 9 to 16 and while the program's primary aim is to retain girls in golf by giving girls a shared golf experience, girls new to golf may also be engaged in this program should they demonstrate a commitment to learning the sport.

"This is a terrific opportunity", said Narelle Kriz Cobar's Lady Golf President, "Not only will girls receive 24 coaching sessions with My self and Gary Begg, but also a free one-year junior club membership that carries playing rights, to ensure girls can participate in club competitions and obtain a handicap".

The Scholarship program is part of a national campaign to get more girls playing golf. Along with over 160 other golf facilities across Australia, [insert centre name] will be working closely with golf's national body Golf Australia throughout 2025.

"All we ask is that applicants display a desire and willingness to improve their golf skills, obtain a handicap, play in club competitions (or at least social play) and engage in any extra-curricular activity that fosters friendships between scholarship holders".

A total of 10 scholarships will be available for 2025.
