Assumption College – Kilmore volunteering at CPS

Thank you from Cobar
Public School students

For 4 days during Week 8 Assumption College students from Kilmore in Victoria volunteered at our school. They were keen and enthusiastic workers even in the heat wave conditions we put on for them. ACK students worked in classrooms engaging students in reading and learning activities, in the canteen preparing and serving food, in the garden to trim and mulch the front entrance to school, mulching the yarning circle plants, filling Smooth Start bags and book covering at the Library. They also played with the students out on the oval and in the tribal areas. Their final act of generosity was to bring along and spend time creating Christmas craft with Copper Team students on Friday afternoon. We all really appreciated their support and helping out at our school.

How can I go to the Positive Behaviour for Learning Rewards Day at the end of Term 4?

START

I need to collect 10 Merit Awards before Friday 9th

I can get a merit award by:
 Collecting ten good eggs.

I can get a good egg for following the Positive Behaviour for Learning expectations:

Water all clear at Newey

On an overcast Tuesday 6th December 2016, we went to the Newey to complete the final water testing for 216 as part of the Cobar Water Quality Testing Program our school has been participating in with the Cobar Shire Council throughout the year.

I liked the water testing. We had to wash the testing container and fill it up for lots of different testing that was fun. Ebony Aumua

It was cool doing the water testing! Chad Giles

We measured the temperature of the water. I had a great time doing it. Bridie Bruce

We went down to the edge of the Newey to do water testing. Ayden Lawrence
