Principal's Report

Our thoughts are with all those communities across the country experiencing the devastation of the ongoing bushfires. With hundreds of NSW schools closed it is a difficult time for schools and their communities and we thank the dedicated men and women of the emergency response agencies for their tireless work.

In our school, there is a lot going on, but not much to report. It is business as usual across the school for this time of year. Preparation for PBL Shining Day, Presentation Day, Year 6 Graduation, reports and forward planning for 2020 are all well under way. An updated whole school assessment schedule and revised units of work for 2020 are also being worked on.

Students in classrooms continue to be focused on their learning and we have seen far fewer discipliner issues across the school this term. As is to be expected in any school, a small group of students can have a negative impact on others, however we have strong processes in place to deal with those who choose not to be responsible, respectful learners.

Remember this week end is the mid-term break, so no school this Friday or the following Monday. Have a great weekend everyone.

PBL

Focus of the Week

Responsible Respectful Learners

Who Got Spotted this week?

Jed McMillan

Ernie has noticed that Jed is always very sensible when he is at school. He always makes sure he stays in bounds and uses equipment for its purpose.

Jed is an honest and well-mannered member of Cobar Public School and Ernie thinks he's a legend.

Well done Jed!

Responsible

Kaylee Muldoon

Kaylee was spotted by Ernie using a polite voice when asking Miss Gentles if she could pack up areas of the classroom. She also wrote a letter to all teachers in the school, saying thank you for their hard work on World Teachers Day. Kaylee read her message over the loudspeaker system so all teachers could hear her message.

Very impressive Kaylee!

Respectful

Jessica Carlaw

Ernie has kept his eye on Jessica for a while, and wanted to give her the recognition she deserves.

Jessica is a great role model when it comes to being a learner at C.P.S. Jessica always participates to the best of her ability in all subjects, she comes to school everyday prepared and eager to learn, and when an instruction is given she is always listening.

Well done Jessica!
