Term 4, Week 7

Thursday, 28th November, 2019

Principal's Report

Between the smoke and the dust, some very ordinary weather last week and this. We have been monitoring air quality and have closed playgrounds and brought students inside on a number of days. We will continue to do this on a day to day basis

Some great speeches from our Year 5 students putting their case to be school leaders in 2020. It is always interesting to listen to the students' goals for the school and these have resulted in change to our practices and processes over the years. We wish all candidates well and will announce the results on presentation day.

We farewelled Harley this week and moves into retirement. The students put on a lovely farewell and it was obvious how moving this was for Harley. We wish him all the best.

Thanks to all those parents who have been enquiring about the uniform shop. The school is now running the uniform shop and it is open 9.00-10.00 Monday, Wednesday and Friday. If however you need uniform outside these hours come into the office and we can help you out. Parent helpers for the 3 days are very welcome, please call the school and ask to speak with Donna or Michelle if you would like to volunteer.

On uniform: as we finish the year and look to 2020, we send out a reminder that tights for girls are not school uniform, nor are short shorts. Tights worn under a skirt or shorts are fine, worn by themselves they are not. From the start of 2020 we look forward to seeing all girls in full school uniform.

Keep checking out our YouTube channel. We're aiming to put 2 -3 new videos up per week.
