Term 4, Week 8

Thursday, 5th December, 2019

Principal's Report

It has been a pleasure watching our incoming Kindergarten students as they participate in the Smooth Start Program. This finished this week with graduation ceremonies for both groups, complete with gowns and caps. Congratulations to all Smoother Starters. We look forward to seeing you in Kindergarten next year.

Schools have staff development days (SDD) each year on which we run training events. All these days are student free days. All schools receive 2 SDD at the end of Term 4 and have the option of moving these days to either the start of term 1 or to weekends. In 2020, we will move 1 of these days (Friday 18th Dec) to Monday 3rd February. Students return on Wednesday 5th Feb 2020. Please direct any enquiries re this to myself.

Thanks to all those parents who have been enquiring about the uniform shop. The school is now running the uniform shop and it is open 9.00-10.00 Monday, Wednesday and Friday. If however you need uniform outside these hours come into the office and we can help you out. Parent helpers for the 3 days are very welcome, please call the school and ask to speak with Donna or Michelle if you would like to volunteer.

Keep checking out our YouTube channel. We're aiming to put 2-3 new videos up per week.

Have a great weekend everyone.

Calculator sets may be purchased from the Front Office at Cobar High School.**

Who Got Spotted this week?

Alora Deppeler

Ernie spotted Alora using equipment for its purpose both in the classroom and the playground. Alora encouraged her peers to put class items back in the correct place while packing away. She was also spotted helping other students place bibs in the correct bag after students finished playing on the fixed equipment.

Keep up the great work Alora!

Responsible

Nash Webster

Ernie is delighted with Nash this week! He is impressed with how Nash talks to his peers and teachers using a polite voice all the time. Nash always does as he is asked.

Well done Nash!

Respectful

Rohan Belotti

Ernie loves visiting 4/5/6D and seeing the amazing work they create. He was particularly impressed with how well Rohan applies himself in the classroom. He always participates to the best of his ability and makes lots of interesting contributions in class discussions.

Keep up the great work Rohan!
